

## Governing Body (public) meeting

**DATE: 29 May 2014**

Title	<b>SEL Strategy Programme</b>
Recommended action for the Governing Body	That the Governing Body: <b>NOTE</b> the update on the SEL strategy programme
Executive summary	<p>A strategy document is due to be submitted to NHS England on 20 June 2014 for review, in line with national requirements. This is an early national milestone in the long-term development of the strategy. <b>From June 2014 onwards, considerable further local and wider engagement will be taking place within boroughs and across south east London and feedback from this process will influence continued development of the strategy.</b></p> <p>Each of the CCGs' Governing Bodies will discuss the strategy document, in public, for approval prior to submission to NHS England for review. These meetings are taking place from late May to mid-June 2014.</p> <p>Two south east London-wide engagement events for voluntary and community stakeholder organisations are taking place on 03 and 18 June 2014. Further local and south east London-wide events are being planned for June 2014 onwards.</p> <p>As part of the strategy's strong focus on engagement, a public recruitment process for additional patient and public voices to become involved in the development of the strategy will be launched after the elections. The first meeting of the strategy's patient and public advisory group is planned to take place in early June 2014.</p> <p><b>Strategy development progress</b></p> <p><b>Partnership Group</b> will meet on 22 May 2014. This meeting of senior leads from all the partners across south east London (CCGs, local authorities, NHS providers and other NHS organisations) will consider elements of the emerging strategy.</p> <p><b>Clinical Leadership Groups</b> (clinicians and experts from across south east London) have been joined by Healthwatch</p>
